

**Dear Sponsor,**

2017 marks the ninth year Special Olympics Kansas athletes will arrive in Wichita for the Charles E. Watson Golf and Softball Tournament! Over 450 athletes and coaches participate in this annual event taking place July 28-30.

High Touch Technologies facilitates all fundraising, planning and volunteer efforts for the tournament. Our goal is to deliver a positive experience for every athlete in attendance, providing them with all aspects necessary to compete at no cost to them. We rely on the assistance of generous organizations to make that happen through volunteer support, financial donations and contributions to our fundraiser, Dinner and a Show: Cutthroat Cookoff.

Cutthroat Cookoff is a live cooking show in which contestants are tasked to produce various courses of a meal on the fly, without prior knowledge of ingredients. Assorted challenges are thrown in for audience entertainment and provide plenty of laughs. Taking place at Wichita's brand-new event venue, The Hudson, this is a show you won't want to miss!

Your participation helps empower individuals with intellectual disabilities by giving them the opportunity to compete. We hope you will consider donating to our event.

**THANK YOU!**
